Montgomery Drain Maintenance and Improvement Project

February 16, 2024:

The Montgomery Drain project is constructing storm sewer pipes on Michigan Ave. and Homer St. The Michigan Ave construction is in westbound lanes from Dori Lane to Homer Street. Work on Homer Street is anticipated to start in early March. Please see the reverse side for overall work locations and traffic details. All businesses are open and accessible. The westbound Michigan Ave lane closure will persist until the completion of this work.

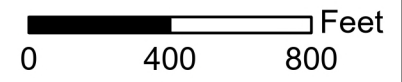

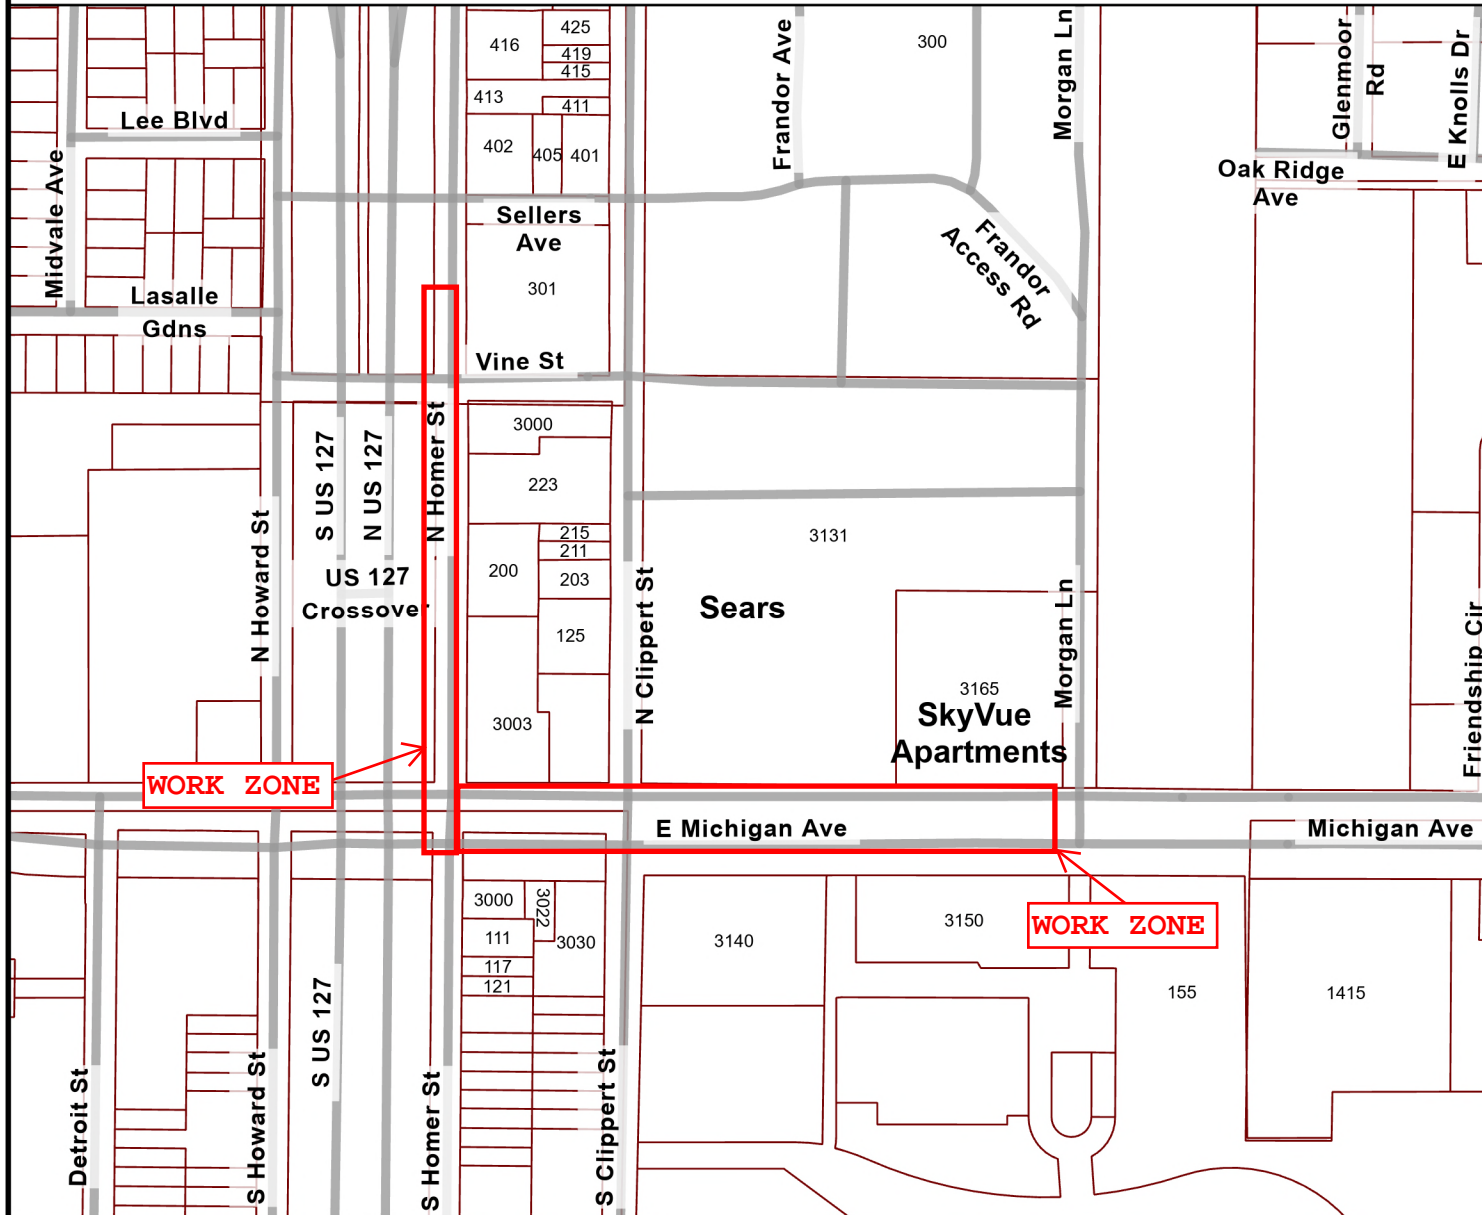

WORK SCHEDULE - Current and Upcoming:

- **Mid-February 2024** – Installation of storm sewer and manhole structures along Michigan Ave
- **Late February 2024** – Lane closure at Homer St and installation of Junction Chamber
- **March 2024** - Installation of sanitary sewer, elliptical storm sewer, manholes, and catch basin structures along Homer St.
- **April 2024** - Grading, plantings, and restoration

*Updates to this schedule will be circulated **weekly** until construction is complete.
Please check the website: www.montgomerydrain.org for the most current schedule.*
