Montgomery Drain Maintenance and Improvement Project

March 28, 2024:

The Montgomery Drain project is constructing storm sewer pipes on Michigan Ave. and Homer St. The Michigan Ave construction is in westbound lanes from Dori Lane to Homer Street. Work on Homer St. has started and will continue until the end of April.

Westbound Michigan Ave from Clippert St. to Howard St. is closed until April 1st. Please Note: The new detour starting April 1st to westbound Michigan Ave through Saginaw and Pennsylvania will be administered by the City of Lansing on their upcoming Michigan Ave Project. Please check the City's website for updates at www.lansingmi.gov/MichiganAve. Northbound Homer St. will continue to be closed until late April. All businesses are open and accessible. Please see the reverse side for overall work locations and traffic details.

WORK SCHEDULE - Current and Upcoming:

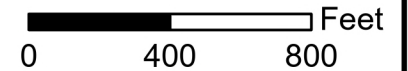

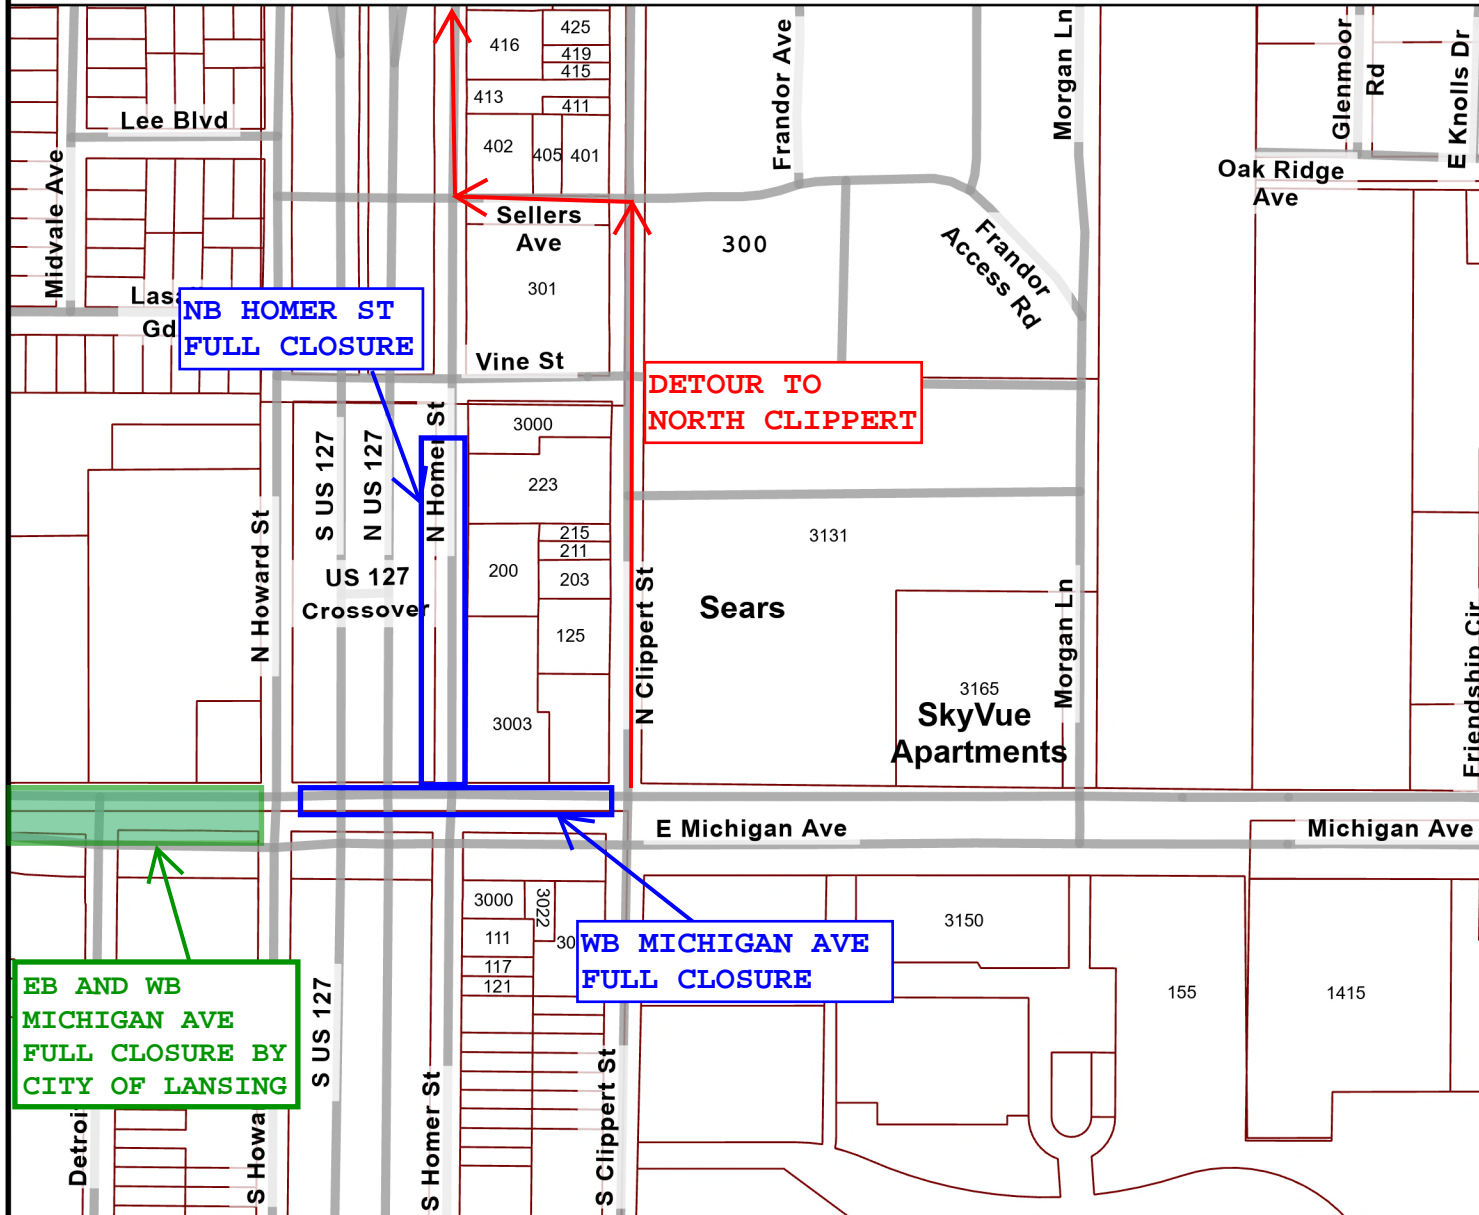

- **Late March – Early April 2024** – Installation of elliptical storm sewer and manholes along Homer St.
- **Early April 2024** – Installation of catch basin structures along Homer St.
- **Mid-April 2024** – Paving.
- **Late April 2024** - Grading, plantings, and restoration.

*Updates to this schedule will be circulated **weekly** until construction is complete.
Please check the website: www.montgomerydrain.org for the most current schedule.*
