Montgomery Drain Maintenance and Improvement Project

April 12, 2024:

The Montgomery Drain project is constructing storm sewer pipes on Michigan Ave. and Homer St. The construction is in the westbound lanes of Michigan Ave from Dori Lane to Homer Street. Work on Homer St. has started and will continue until the end of April.

Westbound Michigan Ave detour to North Clippert St. through Saginaw and Pennsylvania will continue. **The Michigan Ave closure west of Howard St. is administered by the City of Lansing as part of their Michigan Ave Project. Please check the City's website for updates at lansingmi.gov/MichiganAve.** **Northbound Homer St. closure will continue until late April. All businesses are open and accessible.** Please see the reverse side for overall work locations and traffic details.

WORK SCHEDULE - Current and Upcoming:

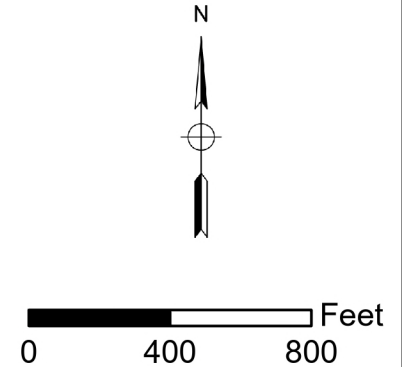

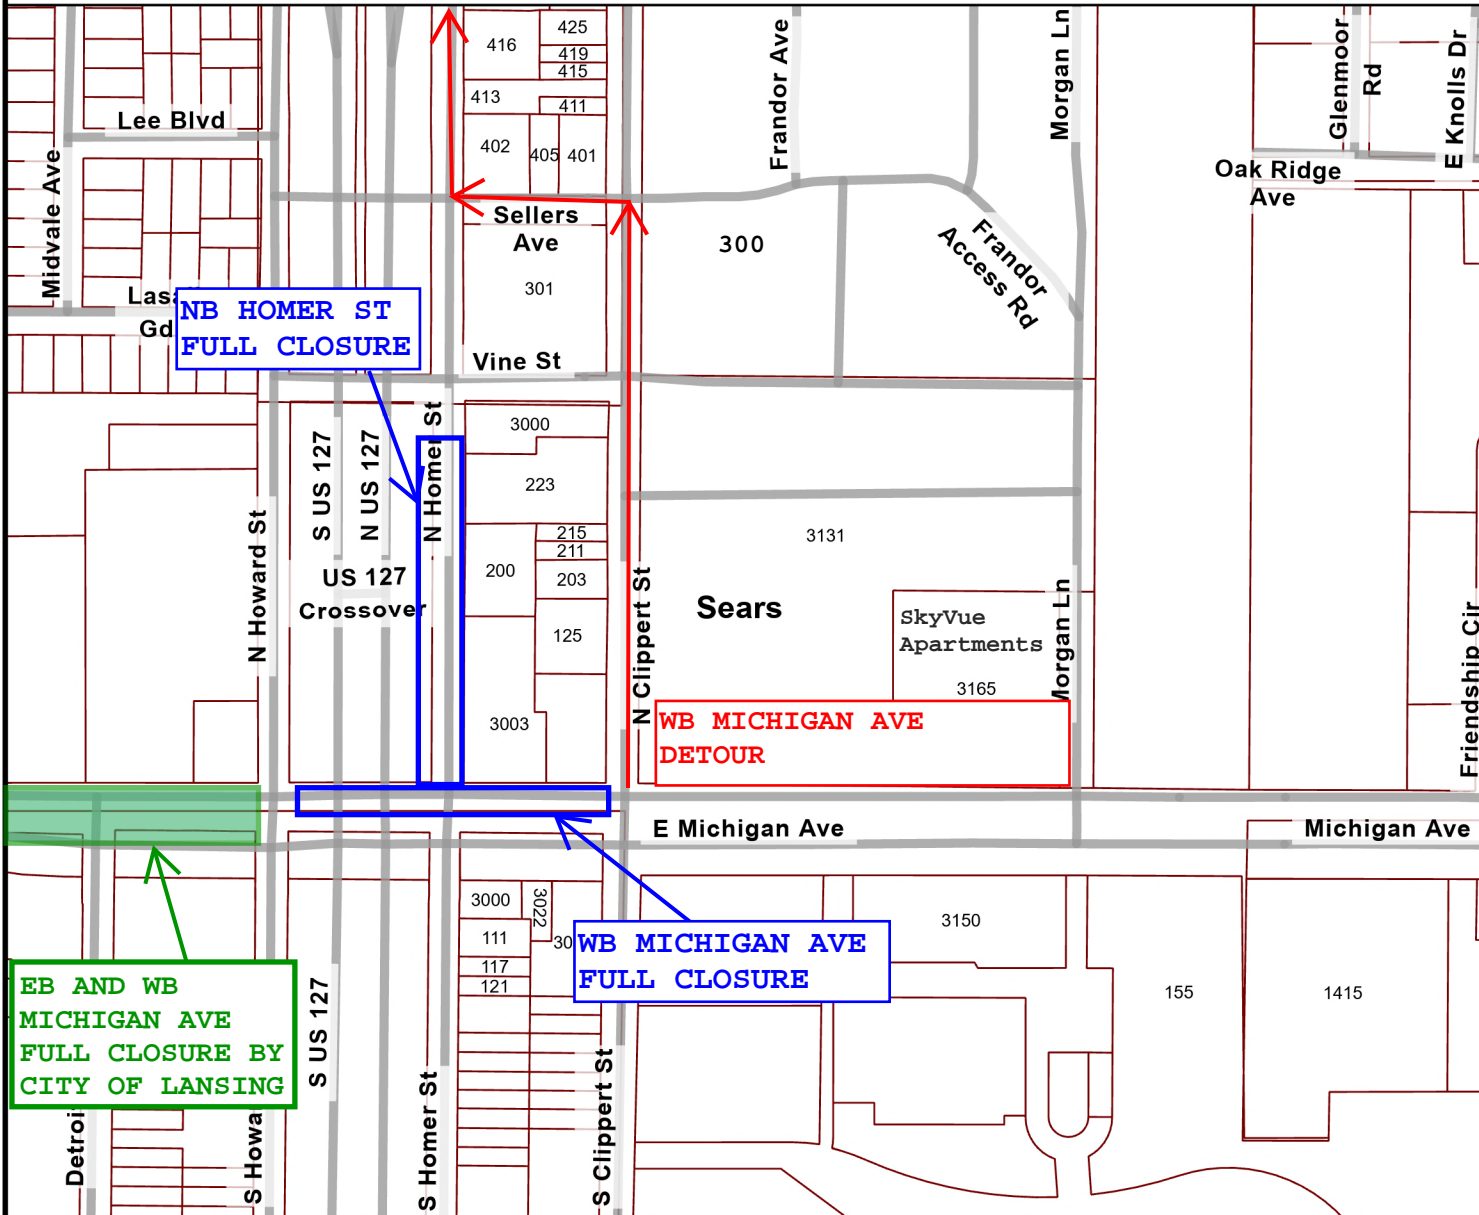

- **Mid-April 2024** – Installation of elliptical storm sewer along Homer St.
- **Mid to Late April 2024** – Paving westbound Michigan Ave and Homer St.
- **Late April 2024** - Grading, plantings, and restoration.

*Updates to this schedule will be circulated **weekly** until construction is complete.
Please check the website: www.montgomerydrain.org for the most current schedule.*
